When it came to choosing products from this catalog for Shelli’s Signature Collection™, I really struggled! I liked so many things, so I ended up choosing more than I had originally intended. I love using my Big Shot®, so I chose the Matchbox Bigz® die, along with the coordinating stamp set (Matchbox Messages), of course! There’s so much potential with these two products, and I can see myself using them for all kinds of different projects.

I also chose Oval All because of its simple beauty and versatility, as well as the coordinating Scallop Oval punch. I love it when we have coordinating products because it makes creating so much easier and quicker!

And my new motto? “An unhurried sense of time is in itself a form of wealth” from the Sense of Time set, another Shelli’s Signature Collection offering. That sentiment so perfectly expresses my feelings about time as I’ve tried to slow down and enjoy life a little more.

That said, one of the first sets I’ll order is Choo Choo, because my grandson adores trains and is always asking me to draw him one—and it has to be on a track, so I’ll add the Right on Track wheel to the list. I also laughed out loud when I read the greetings in Golden Oldies; my mind leaves completely once in a while too!

Frankly, I think you’ll find tons of wonderful choices in this mini—I love the variety in artwork and greetings, as well as the accessories we’re offering. Good luck choosing your favorite!
