Dear friends,

We’re all passionate about many things . . . it’s our passion that adds richness to our lives. You likely share my passion for some things, like people and relationships. And because you’re holding our catalog, I’m guessing you share my passion for creativity too!

It was my desire (and need) to enjoy meaningful relationships and express creativity that sparked the beginnings of Stampin’ Up!® I was a busy mother of a handful of little girls, looking for new friends and a fun evening out once in awhile. Stamping provided the perfect excuse to meet people, have fun, and share creative thoughts and projects!

I loved the idea that with just a stamp and an ink pad I could create a seemingly endless number of projects, from cards and tags to gifts and pages. This new hobby of mine was affordable and rewarding—I felt like I was the queen bee of creativity! I was hooked, and I couldn’t wait to share it with others.

More than two decades later, I’m still passionate about stamping—and Stampin’ Up! I love the people I’ve met, the projects I’ve made, and the talents and skills I’ve discovered along the way. I invite you to begin—or continue—your own Stampin’ Up! journey with this year’s catalog!

Happy stamping!

Shelli Gardner,
Cofounder and CEO
